Relevance to Pos: II, III, V, XI

Objectives:

1. To create interest among students regarding creativity.
2. To provide exposure to new students to explore their hidden skills.
3. To develop good rapport between new students with their seniors.

Beneficiary: Students

Program organizing committee: SRC committee and B.Pharm II, M.Pharm II and D.Pharm II year students

Program outcome:

Freshers day celebration makes juniors and seniors mingle with each other and develop a friendly atmosphere. Students who are from rural areas are hesitant to interact when they get into professional colleges. Seniors should receive freshers in a friendly manner at the same time have to retain their seniority by advising Junior in a proper way with respect to their behavior toward teaching and supporting faculty as well as other seniors on the campus. It brings unity among the students through good interaction.
