Program / Celebration Report

Name of the Program Conducted: Tree Plantation Program

Relevant Occasion: Tree Plantation Week

Date: 01/08/2024

Venue: DBCOP Ground.

Relevance to Pos: 1, 2, 3, 5, 8, 9,10,11

Objectives:

- To educate students about the importance of trees and the broader environmental issues.
- To encourage students to take responsibility for environmental conservation and participate actively in sustainability efforts.
- To increase green cover and help reduce carbon emissions, thereby contributing to the fight against climate change and global warming.
- To increase the habitat for various species of flora and fauna, promoting biodiversity and ecological balance in the environment.

Beneficiary: Students

Program organizing committee: NSS cell DBCOP

Program outcome:

As a result of the Tree Plantation Program, 25 trees such as Palas, Neem, Gulmohar, Amaltash, Jacaranda, Peepal, and Avdumbar, were successfully planted across the college campus, contributing to the enhancement of green spaces, promoting biodiversity, and supporting the institution's commitment to environmental sustainability.

Students became more aware of environmental issues, particularly the importance of trees in maintaining ecological balance. By planting and nurturing trees, students developed a sense of responsibility toward nature and sustainability.
