Subject: Regarding free Cervical cancer (HPV) Awareness and Vaccination camp in association with
Taywade Multi-speciality hospital

Respected Ma'am / Sir

Swasthya Vriksha Foundation in association with Taywade Multi-speciality hospital is organizing free Cervical Cancer vaccination camp at Taywade hospital, Shatabdi chowk, Manewada ring road to Beltarodi road chowk, Babulkheda, Nagpur on 14th February 2025 from 9 am to 2 pm. This will be for the girls of age group 9 to 20 years of your school. Cervical Cancer awareness session will be conducted in your school by the SVF team on one of the following dates viz. 15th, 16th and 17th January 2025. We request you to kindly notify one convenient date and preferable time slot of one hour for the same.

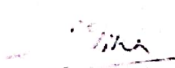

Swasthya Vriksha Foundation Nagpur [Reg no: F-0037380(NGP)] is an NGO actively working to eradicate Cervical Cancer which is the 2nd largest growing cancer amongst women in India through the 'CANCER KAVACH' initiative. India accounts for 27% of the global deaths due to this cancer. Every 8 minutes one woman in our country loses her life due to Cervical cancer which can be easily prevented. Due to lack of awareness and high cost of this preventive Cervical Cancer (HPV) vaccine, it is still remotely available to underprivileged girls.

We thus request you to make sure that maximum girls between the age group 9 to 20 years and teachers from your school attend the Cervical cancer awareness session. This is a golden opportunity which will help safeguard the lives of the younger generation.

To fight this rapidly growing cancer we invite you for your active contribution at the HPV camp to be held at Taywade Multi-speciality hospital, so that we together can avail this vaccine to the girl beneficiaries free of cost. We look forward to your support in this noble cause which would certainly be a huge boon to the lives of many.

Thanking you

Yours' sincerely,

Dr. Deepika Chandhok
Founder President
Swasthya Vriksha Foundation

Subject: Invitation as Resource Person for awareness program on "Awareness on Cervical Cancer & Vaccination" organized by DBCOP's Women's Development Cell on 5th February 2025 at 10.00 am -regd.

Dear Sir,

As you are aware, Dadasaheb Balpande College of Pharmacy (DBCOP) Besa, Nagpur is one of the premium institutions in Central India for offering quality education in Pharmaceutical Sciences. We aimed to be the best Pharmacy institution in Central India. In this connection we regularly organize awareness programs to upgrade knowledge of our students and give them larger exposure.

DBCOP Woman's Development Cell is organizing program on "Awareness on Cervical Cancer & Vaccination" under theme Empower Together on 5th February 2025 at 10.00 am at DBCOP's Seminar Hall.

With this reference, it gives me an immense pleasure to invite you as **Resource Person** for program on "Awareness on Cervical Cancer & Vaccination" organized by DBCOP's Women Development Cell in association with Swasthya Vriksha Foundation, Nagpur. Looking forward for your positive confirmation to our invitation.

Regards,

Ujwala Mahajan

Program / Celebration Report

Program : Awareness on Cervical Cancer and Vaccination

Date: 05 February 2025

Venue: Seminar hall, Dadasaheb Balpande College of Pharmacy, Besa, Nagpur.

Time : 10:30 Am

The Women's Development Cell, in Association with Swasthya Vriksha Foundation of Dadasaheb Balpande College of Pharmacy successfully organized "Awareness on Cervical Cancer and Vaccination" Program on 5 February 2025. The event aimed to spread awareness about cervical cancer, its causes, prevention and importance of HPV vaccination in reducing risk of life threatening disease. The chief guest was Dr. Jasmeet Chandhok, Secretary Swasthya Vriksha Foundation, Dr. Sanjay Dhote, CEO of Taywade Multi-speciality Hospital, Dr. Hemchandra Salodkar, Mr. Manoj Balpande, President Ambe Durga Education Society. The session was commenced by Dr. Jasmeet Chandhok insightful lecture on cervical cancer emphasized on role of HPV, and significance of vaccination. His informative session helped raise awareness among attendees, encouraging them to take proactive step to prevent cervical cancer. Dr. Sanjay Dhote, CEO of Taywade Multi-speciality Hospital also highlighted the importance of vaccination and mentioned the vaccination camp going to be held at Taywade Multi-speciality Hospital on 14th February 2025 from 9-2 pm for the girls of age group 9 to 20 years. The vaccination drive aims to make the HPV vaccine accessible to community and promote preventive healthcare.

The Cervical cancer Awareness and Vaccination program was a significant step in educating and creating awareness in girls about prevention and early detection and vaccination. The session was followed by an interactive Q&A, where students enthusiastically participated. More than 100 girls have shown their interest and filled out the registration form for vaccination. The event concluded with the vote of thanks by Dr. Vidya Sable, appreciating the efforts of Speakers, organizing committee and all attendees for their valuable contribution.
