Program / Celebration Report

Name of the Program Conducted: Self Protection and Social Behaviour of Girls

Relevant Occasion: None

Date: 19/02/2017 Venue: Dadasaheb Balpande College of Pharmacy, Besa, Nagpur

Relevance to Pos: I/II/V/VI/VII/IX/X

Objectives: Women's self defense training aims to arm women with the skills to avoid, interrupt, and resist assault. Early second wave feminists, aware of the pervasiveness of violence against women and critical of society's reluctance to address it, took their safety literally into their own hands, adapting martial arts techniques to suit women's needs; adding verbal, psychological, and emotional skills; and integrating a critical gender consciousness into their trainings

Beneficiary: Society

Program organizing committee: Ms M. N. Motiwala, Mrs V.V. Rokade

Expected outcome:

The officers warned the students against improper use of social media. "Everyone using social media should keep their information either private or just visible to friends. It is difficult to assess who can morph your picture and use it against you. We cannot afford to be reckless," said an officer. The students were told not to tolerate any inappropriate behaviour and inform the police immediately.

Speaker: Mr Arvind N Ghodke
