

Mechanism of redressal of students' ragging grievances

The Institution has a transparent mechanism for timely redressal of students' grievances in case of ragging cases. The students submit their grievances either directly to the Principal (Chairman of antiragging committee) or to the Secretary or any other members of antiragging committee (ARC). Students may drop their grievances in the complaint and suggestion boxes also, placed in all academic blocks of the institution which are regularly opened. If the member received the complaint he/she then brings the grievances to the notice of Secretary/Chairman of the ARC, where the grievances are addressed by a committee which includes the Principal, secretary and other committee members.

In compliance with the directives of the Hon'ble Supreme Court of India and the UGC regulations on curbing the menace of ragging in Higher Educational institutions, 2009, the College has formed the Anti-Ragging Committee, Cell and squad for overseeing the implementation of the provisions of the verdict. Antiragging squad regularly raid the college premises and surrounding premises to keep watch, whether any ragging sort of activity occurring in the premises. Affidavits are taken from the students signed with parents at the time of admission to the program that he/she will not involve in any sort of ragging cases during his academic career.
